Have you ever been convicted of a felony? \_\_\_\_\_

Are you Married / Divorced / Single

---

Crossed Sabres Ranch is located in a beautiful, but remote area. Personal Trips to town are rare and discouraged due to the mountainous terrain and your job responsibilities. Those persons requiring frequent trips to town need not apply.

*Note: Crossed Sabres Ranch may require a random drug testing procedure for all of its employees.*

*Also, due to our housing environment we do not allow employees to bring their pets.*
